## Incoming 8<sup>th</sup> Grade Math Summer Work

### SUMMER ASSIGNMENT

This year’s summer assignments will be online using Buzzmath and IXL.com. Each assignment is shown in the table below and is due each month as shown below. The assignment will be marked as late if it is completed after the due date.

Lessons	Due date	Assignment	<input checked="" type="checkbox"/> completed
Rational numbers	July 7	IXL.com: 7-C.9 Evaluate numerical expressions involving integers	
		IXL.com: 7-H.8 Multiply and divide rational numbers	
Algebraic Expressions and Equations	August 4	Buzzmath- 7EE Review: Expressions and Equations	
		IXL.com: 7-S.8 Solve equations involving like terms	
Proportions and Percent	Sept 1	Buzzmath- 7RP Review: Ratios and Proportional Relationships	
		IXL.com: 7-L.5 Percents of numbers and money amounts Tip: $\frac{\%}{100} = \frac{\text{part}}{\text{whole}} = \frac{\text{is}}{\text{of}}$	

**\* For full credit on IXL assignments, you will need to achieve a smart score of 80% or better.**

I will be monitoring the system throughout the summer and the assignment will be graded. If you have any questions or are unable to get access to the assignment, please email me at [Sabrina.dwinnell@mtcschool.org](mailto:Sabrina.dwinnell@mtcschool.org) .
