

## **Summer Assignments Incoming 5<sup>th</sup> Grade Honors Math**

Over the summer, you will be completing IXL assignments to retain your math knowledge. A little summer work never hurt anybody ☺. There will be three IXL assignments due during each month of the summer. You can complete them all at one time or pace yourself and just do the assignments for each month. You will need to get at least a 90 or above Smart Score on each assignment for it to be counted as complete.

### **June 9 – June 30:**

Under 5<sup>th</sup> Grade Learning:

- X.5 – Find the Probability
- X.6 – Make Predictions
